SAMWORTH ACADEMY

W/C 6th May

This Week at NUSA:

We're into the last two weeks before the half term holiday, and time is flying as we start our preparations for next half term, and for next academic year.

Our roll out of uniform for Years 7 to 10 continues to go well, and we have been really grateful to parents/carers in supporting us to find solutions – thank you for your continuing support and if uniform is ever going to be an issue then please contact your child's Head of Year and we will do whatever we can to help!

Year 11s have started brilliantly for their exams; the first week has been excellent, and we will continue to run a full booster provision for students before each exam to support them in the immediate run up to each exam; students have an overview timetable this week outlining their revision, lessons and exams given to them last week. We wish all Year 11s and Sixth Form doing exams this summer the continued very best.

SEND Drop ins

We offer a number of 'SEND drop ins' throughout the year for parents/cares. These are open to any parent/carer who may want to discuss their child's SEND needs further or parents/carer's who have concerns that their children may have SEND needs that are yet to be diagnosed. If you wish to book an appointment in one of the slots below, please contact reception.

Free Parent Webinar: Helping Your Child Improve Their Memory

Dear Parents,

We're excited to announce that Elevate Education will be hosting their next parent webinar on memory on May 14th.

Elevate works with our students, delivering high-impact workshops on study skills, motivation, wellbeing, and

exam preparation. By tuning into their webinar series, you'll learn **how you can help support your child at home by reinforcing the skills they're learning at school.**

Sign up for the session below to learn how you can help your child to remember what they learned this year and **recall information effectively in an exam setting.**

How You Can Help Improve Your Child's Memory
