

Monday 5th October 2020

Dear Parent/Carers,

As of this month I have become a Director of Nova and, because of the policy of separation of roles within the Trust I have had to stand down as a member and as Chair of the Local Governing Body of NUSA. I completely understand the policy but it is important to emphasise that my time as a Governor has been wholly positive.

In 2012 I was invited to join and to chair the Local Governing Body for a period of office which began in 2013. It has been immensely rewarding to share in the journey of NUSA in the continuing quest to provide the very best opportunities for our young people. It has been a very great pleasure and privilege to be part of the NUSA community. I plan to maintain my connection with NUSA and I will do what I can to support NUSA as it continues to move forward.

I would like to express sincere thanks to you all for your support.

I am delighted to confirm that Michael Sanderson has, with unanimous support, accepted the role of Chair. I would like to thank and congratulate Mr. Sanderson. His wisdom and expertise will bring immense benefits to NUSA as the Academy continues to improve. I hope that you and your families will stay safe and well in these challenging times.

Very best wishes to you all.

Tony Glover
