### **Moving up letter – Year 8 to Year 9**

Dear Parent/Carer

This year has flown by and we have been really proud of the way in which Year 8 have conducted themselves throughout the year.

Our expectations remain high and as such, I wanted to write to you to outline what students can expect when they are in Year 9.

As has been the case previously, we expect all students to bring a pen, pencil and ruler to school and will continue running our equipment shop each morning for those who forget. We would now like to make sure that all students bring a pencil case to school each day, as well as a bag which is large enough to fit an A4 folder inside.

Of course, we maintain the same standards for uniform moving in to Year 9.

A reminder of the uniform policy is contained overleaf. Can I ask that you pay particular attention to the information related to piercings, jewellery and trainers.

The health and safety of your child is our priority in Physical Education (PE). To ensure that all children can safely participate in physical activity and sport, nose piercings of any type are prohibited. As their parent/ guardian or carer if you decide to allow your child to have a nose piercing the healing time is 6 weeks. Therefore, your child will not be able to participate in their Core PE lesson for the duration of this time whilst the stud is unable to be removed.

Consequently, your child will be placed in isolation for the duration of their PE lesson and will also receive a 1-hour head of school detention each week for 6 weeks. Following the healing period, if your child refuses to remove the piercing for their PE lesson, they will be placed in isolation for the duration of their PE lesson and in addition, will also receive a 2-hour after school detention that week. These sanctions will continue until the nose piercing is removed.

Students can only wear one single pair of studs in their ears.

Students should not wear trainers to school. I know that it can be tricky to buy school shoes sometimes as shops do sell shoes which claim to be school shoes, but are actually trainers. For ease to ensure the policy is followed, we do not allow any sport brand shoes (even if the shop does classify them as school shoes).
