If you decide you want to withdraw consent you must email sais@nottshc.nhs.uk at least 24 hours before your schools session.

Please Note

If we do not receive a completed form, your son / daughter will be given the opportunity to self-consent. The decision to have the vaccination is legally your son / daughter's as long as they understand the reasons for the vaccination and the issues in giving consent, however, the nurse would much rather have your permission too.

If you have any questions or need support to complete the consent form, please contact our friendly team:
