SECTION B – writing to present a viewpoint

Knowledge Organisers

The new GCSE specifications in English Literature and English Language have a greater focus on application and evaluation skills. This leaves less time in class to focus on ‘the bits they just have to know’.

If knowledge retention is improved, this will have a positive impact on levels of attainment and achievement.

To get the most out of the Knowledge Organisers, your son/daughter should be learning sections and then testing themselves. They could.....

1. Look Cover Write Check
2. Spelling and vocabulary tests
3. Key quotation memory tests
4. Mind maps
5. Quotation analysis
